IT'S BEEN A WHILE... BUT WHAT A JOURNEY IT'S BEEN!

Dear friends,

It's been a little quiet on the newsletter front — but only because things have been buzzing behind the scenes! From Windhoek to Victoria Falls, across Botswana's savannahs, and through the dunes of Swakopmund, we've been out living what we love: real adventure.

FROM CITY LIGHTS TO DESERT NIGHTS

We've wandered through Windhoek's vibrant streets, soaked up Swakopmund's seaside charm, and listened to the thunder of Victoria Falls — one of the seven natural wonders of the world. We've dined under desert skies, trekked riverbanks, and shared life-changing experiences with incredible guests who are now part of our adventure family.

4X4S, HELICOPTERS, HORSEBACK & BOATS

Each tour has taken us off the beaten track and into the heart of Africa. Whether on horseback through valleys, by boat along quiet waters, or in a chopper high above the bush — every moment has been filled with awe and laughter (and yes, the occasional mosquito!).
